A che serve? Chi lo ha piazzato? Se lo sono chiesto in tanti, brindisini e turisti. La staccionata è stata messa dall'imprenditore Massimiliano Di Cicco, titolare del Guna Beach, per preservare la sua proprietà privata ed evitare responsabilità in caso di incidenti a persone.

And if you are on vacation with your four-legged friend, you certainly won't give up on the splendid Apulian sea. Click here to find out about the best dog-friendly beach clubs in Puglia and get more information on a holiday in Puglia with dogs. Puglia is very extended: its beaches range from the Gargano to Salento. However, our villas are mainly closer to the Adriatic Sea, in the stretch of coast that goes from Polignano a Mare to Ostuni, so in this article, you will find information and advice mainly on the beaches included in this area. If you want to discover the best beaches near Ostuni you can read this article. If you want to understand which beach to choose according to the wind blowing, read this very useful article. And now let's start discovering together the best-furnished beaches in Puglia! Lido Sabbiaodoro This is one of the most luxurious and exclusive beach clubs in all of Puglia and it is partner of Puglia Paradise. It is located on a stretch of coast called Capitolo, south of Monopoli and features a restaurant which serves dishes of the highest quality and a cocktail bar. It has many services also for children which makes it an ideal beach for families. For a limited number of seats in the Gold area, such as the Premium area of the beach club, Puglia Paradise guests have the opportunity to book, directly through us, a front-row place, with a discount on the club price list. Furthermore in case of cancellation of the reservation within 3 weeks, the entire cost of the reservation will be refunded. The number of places of the agreement is limited so if you intend to spend a day by the sea in one of the best beach clubs on the Apulian Adriatic coast, hurry up and book your place with us! Each place in the Gold area of our partner beach club includes: 1 car parking access to max 2 adults + 2 children or 3 adults king-size sun umbrella at the sea front-row 2 comfort sun loungers with mattress beach towels beach table table service hot shower free wifi Optionally, 1 extra sun lounger with extra price If you wish to book your place at Lido Sabbiaodoro at a discounted price, please let us know the preferred dates and the number of the places you need. Please text us at info@pugliaparadise.com and we will provide availabilities, prices and payment link. Other furnished beaches near Monopoli Monopoli coves (especially those south of Monopoli) are among the most beautiful in all of Puglia. If you have time, we recommend you visit several of them, or if the weather is not very hot and you feel fit, you can even walk the rocky coast to the south, maybe starting from Cala Paradiso and stop at each cove you meet to swim. In addition to the coves, now almost all furnished, you will also find (marine and land) caves, pine forests, and Mediterranean scrub. It is difficult to rank the best-furnished beaches in Monopoli, but let's try: Cala Paradiso A pretty sand bay equipped with umbrellas, beach volley, and beach soccer fields. There is also a restaurant with a pizzeria and bar with some snacks with an evening disco under the stars. Very popular with young people Calamarena Some describe this stretch of coastline as "intact" and "wild". The locals love it, but don't expect to find sand. Only rock, grass, good food and a beautiful vibe. Sunbeds and umbrellas to rent and a bar with a menu of typical Apulian dishes. If you love simplicity and nature, this beach is for you. Cala Cerasa Right next to Calamarena, this beach club has the same characteristics: no sand and access to the sea from a cove. The sea is enchanting and crystalline, but on the other hand, it is difficult to find a beach in Monopoli with an ugly sea. This terraced beach club is very popular with locals in their thirties and is furnished in an alternative/vintage style, like Lullabay in Ostuni. In the evening there are concerts and music. Lido Marzà An exclusive beach overlooking a small beach that houses a natural swimming pool with crystal clear water. An oasis of peace and relaxation surrounded by nature. The umbrellas and sunbeds for rent are located on the lawn overlooking the cove. There is also a high standard restaurant. Porto Ghiaccio Porto Ghiaccio is a cove with a sea that deserves plenty of swimming and diving. Here the water, thanks to the continuous cold currents, is always very clean and clear (and cold). Furthermore, near the cove stands the Abbey of Santo Stefano, which creates a beautiful setting. The lido has a bar/restaurant and music all day. Particularly suitable for families. Purple Beach Sandy and rocky beach with low sea bottom with happy hour on Saturdays evening and Sundays afternoon. Lots of music, lots of drinks, lots of young people. Best furnished beaches in Polignano a Mare Polignano a Mare does not offer sandy beaches, except for some small coves, but it is an excellent destination for those who have children who love diving. The famous beach that can be seen looking out from the historic center of Polignano a Mare, Lama Monachile, is really very crowded, so apart from the low season, we do not recommend visiting it. Here are some other great options: Cala San Giovanni Beach Club 2018 Blue Flag beach. A beach of fine golden sand set in a natural inlet, surrounded by a lush pine forest and caves carved out by time. Very close you will find excellent restaurants, the area of the Abbey of San Vito and the boarding docks for boat tours. Coco Beach Club 2012 Blue flag beach. Exclusive sandless beach with all comforts. Access to the sea is via the pier and ladder. They also organize private parties and weddings. Curious to find out where this enchanting cave is located? A suggestion: it is a stone's throw from a cove south of Monopoli. If you are a Puglia Paradise guest, contact your local concierge to find out more. Best furnished beaches in Ostuni and around The stretch of coast that goes from Savellieri to Torre Canne is completely rocky, so there are no beaches in this area, but if you are looking for fish restaurants where you can eat freshly opened sea urchins on a table overlooking the sea, in this area you will find many of them. From Torre Canne going towards Ostuni begins a stretch of sandy coast. The first stretch, closest to Torre Canne, is dotted with very popular and crowded beaches that we don't feel to recommend. Going further towards Ostuni you will meet the Coastal Dunes National Park, which boasts beautiful wild beaches and few beach clubs. From the area called Pilonè onwards there are furnished beaches worthy of note. Lido Bosco Verde A very popular beach club with locals. Sandy beach with dunes and crystal clear sea and one of the most popular fish restaurants in the area. Music in the evening for dancing. Lullabay LullaBay is nestled among the splendid dunes of the Ostuni Adriatic coast and is a space with a multifaceted soul and attention to detail that has taken as its inspiration the best festivals in the world. Inside, the spaces mix tropical styles with vintage elements in a recycling culture from which comes out a refined hippie culture style. Viar. From the beautiful beach to the wellness area, from the café-restaurant with open kitchen to the sports fields for beach soccer, volleyball, tennis, and football, and then the swimming pool which, at sunset, hosts an unforgettable pool party. All these elements make it an ideal beach club for families and children. White Ostuni Probably the most exclusive beach club in the Ostuni marina. Bar, restaurant, events sand beach, and a lot of entertainment. Guna An exclusive beach club in the middle of the Mediterranean scrub, a splendid stretch of fine sand surrounded by centuries-old dunes, an enchanting beach where you can walk to the Torre Guaceto reserve. Here you will find a natural terrace in English lawn, white curtains, private gazebos, a lounge area under the trees, a pavilion reserved for Wellness, and also a GYM area, cycle tours, golf driving range, and dog beach. -il meteo in tempo reale - BRINDISI - Ammissibili e legittime le strutture precarie esistenti su un terreno privato adiacente al Lido Guna Beach. stabilimento balneare situato in località Apani. Lo stabilisce un'ordinanza del Tar di Lecce che, in sede cautelare, nella camera di consiglio dello scorso 7 luglio, ha accolto l'istanza della difesa della società ricorrente, Accadueo Srl, rappresentata dall'avvocato Anna Maria Ciardo del foro di Lecce. Il legale aveva chiesto l'annullamento, previa sospensione dell'efficacia, dei provvedimenti del Comune di Brindisi riguardanti il diniego della richiesta di autorizzazione, presentata dalla stessa Accadueo, per il montaggio stagionale di due container mobili, quattro pergole in legno con ombreggiante e due bagni chimici poggiati su struttura a pedana in legno della grandezza di 1,10 metri x1,20 metri. Sulla base di quanto sostenuto dalla società ricorrente, le opere in questione "esprimono un limitato impatto urbanistico ed edilizio" e "sono volte ad allestire adeguati spazi a servizio della clientela dello stabilimento balneare". Tali asserzioni non sono state contestate dall'amministrazione comunale, che non si è costituita in giudizio. In attesa di un approfondimento della questione nella fase di merito, la cui udienza è stata fissata per il 22 marzo 2023, il giudice rimarca come "allo stato deve essere apprestata prioritaria tutela agli interessi imprenditoriali della ricorrente, anche al fine di consentire l'utilizzo di elementi strutturali atti a garantire la fruizione dello stabilimento balneare in condizioni di sicurezza". Pertanto la domanda cautelare viene accolta "al solo fine di consentire il montaggio delle strutture in questione durante la (e nei limiti della) stagione estiva in corso, a condizione che le stesse presentino effettivamente le caratteristiche di precarietà ed amovibilità dichiarate dalla ricorrente".
